and those who consider this act a waste of wealth,
have also been answered. pp:1-138

7. "Nasbul-Ishraf" 2007
University of Science and Technology Bannu
This book actually narrates my family lineage
and investigates where the noble Sayyid family,
residing in my town, originated from and
where their ancestors were settled, what the
historical background was, and briefly describes
the life circumstances of those who passed through
this family. pp:1-163

8. Interpretations of Modern Banking in Islamic perspectives

University of Science and Technology Bannu
This is essentially a summary of the lessons
of my respected teacher Mufti Muhammad
Taqi Usmani Sahib, who taught us the
principles of Islamic jurisprudence within
the specialization. The book discusses the
application of Islamic banking principles
and elaborates on all these principles and
regulations. It also explains which
jurisprudential details these principles are
derived from. An extremely new approach

highlighting validations of modern Banking in Islamic perspectives. pp:1-238

10 "What is Judaism" 2007 pp:1-72

University of Science and Technology Bannu
This book is also essentially a summary of the lessons of my respected teacher Mufti Taqi Usmani Sahib. He taught us about comparative religion in our specialization class. It utilizes an Arabic book called "Al-Kanz Al-Marsud" (The Hidden Treasure), but it introduces beliefs that were previously unknown about Jews. Although the book is short, it is comprehensive.

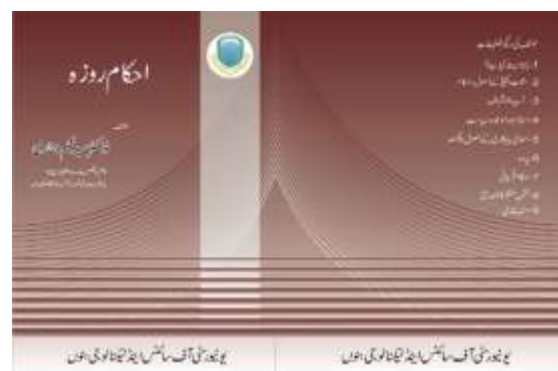

9. "Mishka-Tul-Masabeeh" 2007
